

BELLWETHER PARK

FEATURES

At Bellwether Park, style doesn't play a backseat to function. With a variety of eye-catching features and amenities, you can express your sense of style without sacrificing any of the conveniences of modern life.

LIVING SPACE— MAKE A STATEMENT

Two distinct design schemes to reflect your personal style:

- WALNUT—bold and dramatic, finished in dark walnut for those looking to make a statement.
- OAK—bright and upbeat, finished in white oak for a bright, yet elegant feel.

Clean, functional design that is attractive without feeling commonplace or austere.

Luxurious 30 oz. sisal style carpet with cushioned underpad make your feet feel glad to be home. (BEDROOMS)

Attractive simulated wood laminate flooring that's easy to clean. With a 25-year manufacturer's warranty, you won't have to worry about bumps, dents, and scratches. (KITCHEN AND LIVING ROOM)

Double attached garage to keep your vehicles safe from the elements.

Double paned insulated vinyl windows keep you cool in summer, warm in winter.

KITCHEN—TO ENTERTAIN. AND BE ENTERTAINED.

Your choice of four stylish fabricated countertop finishes.

Countertops feature squared off edges for a clean, contemporary look.

Full height ceramic tile backsplash, installed in attractive brick pattern.

Large work area gives you room for cutting, chopping, and prep.

Island has stainless steel sink and faucet with pull-out spray nozzle to make clean-up a snap.

Unique European style two-toned full wrap laminate cabinets are sure to be noticed.

Attractive recessed downlighting accents finishes and gives you task lighting where you need it.

BELLWETHER PARK

BATHROOMS— SPA-LIKE LUXURY IN YOUR OWN HOME

Beautiful full height ceramic tile with coloured glass accent band turns the tub into a work of art.

Specialty oversized 12" x 24" porcelain floor tile for added flair.

Semi-recessed sink basin by Caroma brings a touch of style to the bathroom's central feature.

Expansive mirror with recessed lighting highlights attractive vanity design.

Tub and shower fixtures feature polished chrome finish and pressure valve system for safety.

Downstairs powder room features dramatic floating countertop with round above mount basin.

Powder room finished with simulated wood laminate flooring, making for a clean, coordinated look throughout the first floor.

APPLIANCES— MAKING LIFE SIMPLE

Full range of attractive Whirlpool appliances that coordinate with design themes (black for walnut scheme; white for oak scheme).

A 19 cubic foot Whirlpool Gold refrigerator means fewer trips to the grocery store.

Washer and dryer system that are energy efficient and easy to use.

Free-standing Whirlpool range featuring AccuBake Heat Distribution System for steady heat and even cooking, no matter what's on the menu.

Radiant elements heat up fast, while glass element shields make clean-up easier.

Super-quiet energy star Whirlpool dishwasher makes cleaning up as enjoyable as cooking.

Built-in 1000-watt microwave gets food hot, fast.

UPGRADE OPTIONS— MAKE A GOOD THING BETTER

Contemporary-styled granite countertops for those who want their kitchen to be the centre of attention.

Engineered wood flooring in imported black walnut and ipe woods. Extra wide, extra thick planks make for added durability.

Curl up year round in front of a modern electric fireplace with ledgestone slate face.

Slide-in electric Whirlpool range for the latest in kitchen technology.

Stainless steel appliances for a sleek, modern look.
